

Leadership Team Planning Retreat
(Coleridge, Laurel-Concord, Newcastle, Wynot)
October 15, 2008

Joint Long-term Goals
(developed October 18, 2006)

1. Maintain a quality education program for all students.
2. Operate in the most cost efficient manner possible.
3. Maintain a school in every community.

Discussion

- Commitment to explore future as a group
- Commitment to working with Innovative Labs early in 2009
- Commitment continue to build relationships and trust through improved communication
 - √ Possibility of creating a Communication Committee made up of representatives from all four boards, would meet several times a year
- Commitment to tackle issues and find solutions
 - √ Impact of declining enrollment on structure of K-4, 5-8, 9-12
 - √ Effectiveness of administrative structure
